Extra Waste at Christmas

Recycling

If you find you have extra recycling that will not fit in your bin, please leave it beside your bin either in a cardboard box that can be recycled or a box that can be easily emptied. Please do not leave it in a plastic bag, as we will not be able to accept it.

Recycling in your bin needs to be loose (not in plastic bags), clean and dry with no food residue. Please ignore the recycle sign on plastic items, we can only take Plastic Bottles.

Full details of what you can put in your recycling bin can be found at www.midsussex.gov.uk/recycling

Landfill

Landfill waste that will not fit in your bin can be taken to the Household Waste Sites at Burgess Hill or East Grinstead for no charge. **Please remember that we are unable to collect any side waste left with your landfill bin.**

Recycle your Real Christmas Tree!

Sites where you can recycle your real Christmas Tree will be available across Mid Sussex between Monday 3rd January and Monday 17th January 2010. Your tree will be composted locally. Details will be available on our website, at Help Points & Parish Councils, by telephoning or emailing.

Please ensure your bins are at the edge of your property, at the point nearest the highway, by 7am on the day of collection.
