## What is a County Local Committee?

County Local Committees (CLCs) are West Sussex County Councils approach to involving local residents in decision making. They aim to bring County Councillors closer to local people and you closer to your County Council.

Meetings happen three times a year in your local area, and are open for anyone to attend. At the meeting County Councillors consider a range of issues concerning local residents and where relevant make decisions on things like highways issues and grant funding.

Your next CLC meeting will take place on:

**Tuesday 27 June 2017 at 7pm at Haywards Heath Library, 34 Boltro Road, Haywards Heath, RH16 1BN**

Subsequent meetings:

**Tuesday 31 October 2017**

**Tuesday 20 February 2018**

## Community Initiative Funding

Your CLC has £39,992.25 of Community Initiative Funding available to award during 2017/18. If you are part of a local group that needs help with a project then please do get in touch. The deadline for applications is usually 6 weeks before the meeting date.

## 'TALK WITH US'

The regular opportunity for you to ask questions of your Councillors and Officers

If your question cannot be answered at the meeting you will receive a reply as soon as possible after the meeting.
